Accommodation

We have a block booking of *standard single* and *standard single ensuite* rooms in *student halls of residence*, available as a four night package (16, 17, 18, 19 August): you may also purchase additional nights now or nearer the conference at the original rate of booking. This block booking will continue to be offered at an increased rate after 30th November 2010.

For those wishing other than standard student accommodation, Loughborough University (Imago) offers a range of on campus accommodation choices, including *executive doubles and suites* at their *Burleigh Court* facility. You can view these choices at

<http://www.welcometoimago.com/conference-venues/burleigh-court/bedrooms/>

We will be booking these non standard rooms as requested up until 30th November 2010 but after that booking will be made direct with Imago, the conference arm of the University, subject to availability and to price increase. We cannot therefore guarantee the availability or price of non-standard rooms after 30th November. From October 2010, Imago will also be running the Links Hotel, which is a short walk north of the campus. Prices for 2012 are not known, but for reference, a double/twin room without breakfast is currently £70. Family rooms and suites are also available. More

information will be available at www.linkhotelloughborough.co.uk.

You may book accommodation at the time of registration, or later. For standard and standard en-suite rooms, we are offering instalment payment (you are responsible for making the additional payments: no additional invoices/requests will be sent). You can choose when the further payments are made – but please note *full payment must be made by the end of May 2012*.

To encourage early booking, *the price you pay will be the price in force when you make the first payment*, and those booking accommodation before 1st December 2010 will receive a small ‘thank you’ gift.
